

Lettings

We offer a comprehensive letting service. We will assist you in letting your property by:

- Providing advice on a realistic rent given the current market conditions
- Producing professional property details
- Finding suitable tenants through our database, corporate contacts or advertising
- Preparation of lease or licence agreement
- Obtaining references (bank/employer/character)
- Conducting credit check
- Preparation of a full inventory of contents

We also offer a comprehensive property management service – tailored to meet your needs and devised to give you complete peace of mind. If you would like the stress taken out of the ongoing management of your property please ask us for details of our service.
